Discussion and Action

2. Consideration and possible action on a resolution supporting "City of Cleveland's" application to the Texas Department of Transportation's 2021 Transportation Alternatives set-aside (TA) call for projects

This is for the pedestrian bridge project idea brought to us by our county judge. The city applied for the grant and this resolution is just one of the items for that project application. The application may get rejected and if so we can apply again in two years with a full plan. This is just a resolution of support as there is no exact cost or exact design at this stage just preliminary information. This resolution does not tie us to this project.

Councilmember Clay made a motion to approve the resolution supporting the TxDOT 2021 TA call for projects with a second by Councilmember McWaters. All members present voted "AYE". Motion carried.

Adjourn

Councilmember Clay made a motion to adjourn with a second from Councilmember McWaters. Meeting adjourned at 12:13 pm.

PASSED AND APPROVED this 20th day of July 2021.

Richard Boyett, Mayor
