July 29, 2022

Honorable Mayor and Members of the Council
City of Cleveland, Texas

I am pleased to present you with the Fiscal Year 2023 Proposed Budget.

A balanced operating budget that achieves the following:

- Across the board cost of living increase (5%) to maintain overall rise in the cost of goods/services. As of June 2022, the inflation rate was at 9.1%, which has not been that high since 1981. The city offers health benefits along with other benefits to all full-time employees to improve retention. Every year the city sees a slightly increase on medical insurance; however, this year insurance increased (9%) due to inflation. Council approved to absorb the additional cost to give employees a relief from the current economic crisis.
- An additional allocation of \$275,000 for additional funds needed to complete the construction and furnish the new fire station currently being built in front of the Grand Oaks subdivision.
- The police department is to replace the high mileage vehicles with two SUV unit for transportation during patrols and to enable police to respond to incidents. An allocation of \$105,000 estimated to replace the two police units.
- The Capital Equipment fund is use to replace or purchase new equipment and vehicles each fiscal year. The replacement of two pickup trucks for \$120,000. The purchase of two utility beds for the water/sewer trucks for \$30,000. This is going to help maintain and protect tools and equipment. Additional funds to help maintain regular maintenance on equipment for the public works department.
- The Water/Sewer fund proposed recurring annual generator maintenance for water and wastewater treatment plant generators. Non-recurring Texas Commission Environmental Quality (TCEQ) required wastewater treatment plant five year renewal discharge permit for \$35,000. An additional \$241,000 to be used for capital programs.
- Maintain property tax rate of .755 cents per \$100 of assessed taxable value without any additional debt or financing.

City budget is a complex document that must balance the needs of the community as a whole. Every new budget year the staff focuses on long term goals for Cleveland. We are certain Cleveland is rising to be one of the most promising communities within the Houston Region. We expect economic growth to continue to arise with all the new development occurring in town. The budget presented to you is our guide in providing a sustainable level of service to the citizens of Cleveland.

Respectfully submitted,

Robert Reynolds
Interim City Manager

September 1	Last date available for publication of Proposed Budget Hearing in newspaper (submitting 8/30) ²
September 2 or 6	<u>Send</u> "Notice of Proposed Tax Rate Hearing" to The Vindicator set for September 13 th
September 8	<u>Publication</u> of "Notice of Proposed Tax Rate Hearing" in The Vindicator and city's website ³
September 13	Public Hearing on the Proposed Tax Rate for FY23 ^{4,5,6} Public Hearing on the Proposed Budget for FY23 Consider an Ordinance to Amend Current Year Budget Consider an Ordinance Adopting a Fee Schedule for Fiscal Year 2022-23 Consider a Tax Rate for Maintenance and Operation for Budget Year 2022-23 Consider a Tax Rate for Debt Service for Budget Year 2022-23 Consider an Ordinance Providing for the Assessment, Levy and Collection of Ad Valorem Taxes for 2022 Consider an Ordinance Adopting the Budget for the Fiscal Year 2022-23
October 1	Beginning of Fiscal Year 2022-23

1. The budget officer shall file the proposed budget with the municipal clerk before the 30th day before the date the governing body of the municipality makes its tax levy for the fiscal year (Sec. 102.005).
2. Publish notice of budget hearing. TEX. LOC GOVT CODE 102.0065 (no later than 10th day before nor earlier than the 30th day before the hearing.)
3. Publish notice of tax rate hearing (the public hearing may not be held before the 5th day after the date the notice of the public hearing is given). The city must also post the notice prominently on the home page of the city's website from the date the notice is first published until the public hearing is concluded.
4. Hearing on budget. (hearing shall be before the date of the tax levy.) Note that the hearing must be after the 15th date after the proposed budget is filed with the clerk. Also, the city must take some sort of action on the budget at conclusion of hearing. TEX. LOC GOVT CODE 102.007. This action could be the adoption of the

- budget, or else a vote to postpone the final budget vote. It is generally accepted that the city need not adopt the budget at the end of the hearing.
5. Adopt the budget. TEX. LOC GOV'T CODE 102.009 (city may only levy taxes in accordance with budget, and because levy cannot take place later than September 29, this is the effective deadline for property taxing cities). The city council must take a separate ratification vote to adopt any budget that will raise total property tax revenue. TEX. LOC GOV'T CODE 102.007(c). The budget must contain a special cover page that includes: (a) a specific statement on the whether the budget raises more, less, or the same amount of property tax revenue compared to the previous year's budget; (b) the record vote of each member of the city council by name voting on the adoption of the budget; (c) the city property tax rates for the preceding and current fiscal years, including the adopted rate, no-newrevenue tax rate, no-new-revenue maintenance and operations tax rate, voter approval tax rate , and debt rate; and (d) the total amount of the city debt obligations secured by property taxes. TEX. LOC GOV'T CODE 102.007 (d). The adopted budget, including the cover page, must be posted on the city's website if the city has one.
 6. Hold tax rate hearing (if applicable) and adopt tax rate no later than this date. TEX. LOC GOV'T CODE 26.05 (or 60th day after receipt of the appraisal roll, whichever is later. If the city uses the 60-day rule, almost every date in this memo would need to be recalculated). The hearing must be held on a weekday that is not a public holiday. TEX. LOC GOV'T CODE

Location

Cleveland is a city in the U.S. state of Texas, within Houston – The Woodlands – Sugar Land metropolitan area. The population was 7,954 at the 2010 census. Located in Liberty County, Cleveland lies 45 miles north of Houston on U.S. Highway 59 / Interstate 69. Centered among mixed pine and hardwood forests and surrounded by the East Fork, and San Jacinto Rivers; the Cleveland area is a beautiful environment where one can find most everything they need to live a good life. The forests around Cleveland, including Sam Houston National Forest, which is located just to its north, are a resort for many inhabitants of the Houston area, who come to camp, hike, hunt, and fish.

City History

The recorded history of the Cleveland area began in 1836 when the Texas General Land Office began giving land grants in exchange for service in the Army. In 1854, a Church and convent was built by Father Peter La Cour near the town's present site. The community formed after 1878 when Charles Lander Cleveland, a local judge, deeded 63.6 acres of land to the Houston, East and West Texas Railway for only one dollar, with the request that a station bear his name.

In 1900 the Gulf, Colorado, and Santa Fe railroad appeared so Cleveland served as a junction for these major railways. Soon the echoes of saws and steam engines filled the forests around Cleveland as sawmill towns proliferated and East Texas's lumber industry grew up amidst these railroad towns. The Cleveland area was incorporated in 1939. In 1965 Liberty County was added to the Houston Standard Metropolitan Statistical Area.

Transportation

The major route traveling through Cleveland is U.S. Highway 59 / Interstate 69, traveling southwest towards Houston and northeast into East Texas. As of March 2015, a 74.9 mile section of US-59 has been designated as I-69 through the Houston Metropolitan Area, nicknamed the NAFTA Superhighway because it would help trade with Canada and Mexico spurred by the North American Free Trade Agreement. US-59/I-69, between Houston and

Livingston, is mostly a limited-access freeway with I-69 designation ending at the Montgomery-Liberty county line. Washington Avenue, known as US-59 "Business" runs north and south through the center of Cleveland. Houston Street, known as State Highway 105, travels east and west with Cleveland being halfway between Beaumont and Navasota. SH-105 runs concurrently with State Highway 321 until SH-105 splits, going eastbound to Beaumont, while SH-321 continues further south into Dayton. SH-105 has recently been improved with a loop near Pin Oak Road, along the southern side of Cleveland, crossing US-59/I-69, and terminating near New Salem Road.

Cleveland is the meeting point of two major rail lines. One is a north/south Union Pacific line that closely follows the path of Interstate 69 and the other is an east/west Burlington Northern Santa Fe line that roughly follows FM-787 to the east and SH-105 west towards Conroe. Union Tank Car Company has a tank repair/maintenance facility along the BNSF line on the outskirts of Cleveland off of FM-787.

Cleveland Municipal Airport is a general aviation airport located in Cleveland with George Bush Intercontinental Airport to the south offering commercial airline service.

Public Schools

Cleveland Independent School District is a public school district based in Cleveland, Texas. In addition to Cleveland, the district serves the cities of North Cleveland and Plum Grove as well as portions of San Jacinto and Montgomery counties. The Tarkington Independent School District, located east southeast of the city of Cleveland, also has a Cleveland zip code.

BUDGET OBJECTIVES

The budget has been prepared in an effort to clearly communicate to the citizens and staff of the City the overall policies and goals of the City Council and City Management and who we are and what we do, enabling the reader to gain valuable information about the City without detailed accounting or budgetary knowledge. The budget document includes various activities and programs of the City, and comparative performance indicators for each program or activity, where available.

BUDGET PHILOSOPHY

Budget philosophy depends upon the local needs and concerns of the citizens. Other factors also affect budget philosophy, such as the state of the local economy, the needs of the organization, the demands of the public for increased services, unfunded mandates and requirements of federal and state regulatory agencies. The budget prepared by the City takes a conservative perspective with regard to both revenues and expenditures. Although historical trends are very useful, current data will sometimes take precedence over prior year trends. This means budgeting from a “conservative” perspective in that revenues are often anticipated either at or slightly above prior levels, unless there are other known factors that will significantly affect anticipated revenues. In addition, expenditures are also estimated conservatively. As a result, over the years this method increases in actual fund reserves when compared to budgeted or projected fund reserves. The City does not use unreasonable projections, which could have an adverse impact on the City’s reserves.

BASIS OF BUDGETING

GOVERNMENTAL FUNDS: The governmental fund types use the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are budgeted when they are measurable and available and expenditures are budgeted in the period in which the liability is incurred, which is in accordance with Generally Accepted Accounting Principles. “Measurable” means the amount of the transaction can be determined and “available” means the collectible period. The City considers the majority of its major revenues as available when collected. Expenditures are recorded when the related fund

liability is incurred. Principal and interest on general long-term debt are recorded as liabilities when due. Those revenues susceptible to accrual under the modified accrual method are property taxes and other taxes, intergovernmental revenue, and interest revenue. Licenses and permits, including fines and forfeitures revenues, are not susceptible to accrual because generally they are not measurable until received in cash. The fund balance approach of governmental funds or working capital approach can be identified as current assets less current liabilities. Governmental funds budget capital outlays as expenditures, but do not budget for non-cash expenditures such as accruals for sick and vacation liabilities and depreciation.

PROPRIETARY and INTERNAL SERVICE FUNDS: The Water and Sewer Enterprise Fund, Solid Waste Fund, and Property Insurance Fund are budgeted using a flow of economic resources, which is similar to the accrual basis of accounting, with exceptions listed below. Available balances are determined using the cash equivalent approach.

- Revenues are budgeted in the period they are earned and measurable,
- Expenses are budgeted in the period in which the liability was incurred,
- Depreciation of assets is not budgeted,
- Capital outlay is budgeted as an expense in the year purchased,
- Principal payments are budgeted as an expense rather than a reduction to the liability,
- Proceeds from bond sales are budgeted as revenue,
- Transfer of bond proceeds to the Capital Projects Fund is budgeted as an expense.

BASIS OF ACCOUNTING

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. All governmental and fiduciary funds are accounted for using the modified accrual basis. Revenues are recognized in the accounting period when they are measurable and available. Revenues subject to accrual include interest income and charges for services. Expenditures are recognized in the accounting period in which the liability is incurred,

if measurable. Capital outlays are recorded as additions to fixed assets at fiscal year-end and the cost of those assets are depreciated over their estimated useful lives for the government-wide financial statements. All proprietary funds are accounted for on an accrual basis. Revenues are recognized in the period in which they are earned and become measurable, and expenses in the period in which they are incurred and measurable. Proprietary funds also record depreciation and amortization. Payment of principal is recorded as a reduction to the long-term liability.

BUDGET PROCEDURES

The budget process begins with the distribution of budget worksheets for its respective operations, personnel requirements, and capital outlay. This financial information is to be used by the department heads as a guide to complete the proposed budget. Using the budget worksheets, each department head projects the financial needs of their department. Supplemental requests for capital, annexation, growth and development or other items outside normal operating budgets are requested and justified separately. Upon completion, each department head then meets with the City Manager and Finance Director to review their budget. During this meeting, the budget is refined and adjustments made. The Finance Department prepares the revenue budget, with review by appropriate departments. Property tax revenue is budgeted using data provided in the preliminary or certified tax rolls received from the Appraisal District. All other revenues are budgeted with the use of comparative financial information provided by the prior year's actual revenue, current year estimated revenue, and known factors that may affect receipt of revenue. The City Manager and

Finance Director then submit a balanced budget of expenditures and revenues to the City Council for review. The following procedures are followed for formal adoption of the budget:

1. The City Manager submits to the City Council a proposed operating budget for the fiscal year commencing October 1, which must be adopted by the last scheduled Council meeting of September.
2. Public notices and hearings are conducted pursuant to state law.
3. The budget is legally enacted through passage of an ordinance.
4. The legal level of control is the total approved budget for each fund.
5. All funds are included in the budget development process and submitted to the Council for adoption each year and are monitored by department administrators during the year.
6. Operating fund appropriations lapse at year-end.

PROCEDURE TO AMENDING THE BUDGET

EMERGENCY APPROPRIATIONS: The Council may make emergency appropriations to meet a pressing need for public expenditure, to protect the public health, safety or welfare. Such appropriations shall be by ordinance adopted by the majority vote of the Council members at one special or regular meeting.

TRANSFER OF APPROPRIATIONS: The City Manager may approve an amendment to the budget that transfers part or all of any unencumbered appropriation balance among programs within a department, or division. The City Council must approve any budget amendments that increase the appropriation for any fund.

I. PURPOSE

The City of Cleveland is committed to ensuring that all purchases are in compliance with State laws when procuring the highest quality goods and services at the best value. This document is the policy for the procurement and purchases of goods, materials, supplies, equipment, construction services, and professional and consulting services.

II. POLICY MANAGEMENT

City employees must discharge their duties impartially so as to assure fair competitive access to city procurement by responsible contractors. Moreover, City employees should conduct themselves in such a manner as to foster public confidence in the integrity of the City of Cleveland procurement organization.

1. The City Manager, or designee, is responsible for the City's compliance with the City's Purchasing Policy. The City Council delegates to the City Manager the authority to make orders and rules as the City Manager deems appropriate or necessary to provide for the procurement of goods and services for the City and for the disposition of City property.
2. The Finance Director is responsible for monitoring compliance with this policy, recommending changes in policy to the City Manager for approval, and approving procedures designed to maintain compliance with the policy.
3. The City's purchasing responsibilities are decentralized and each Department Director is the responsible Purchasing Officer for his or her Department.
4. The Purchasing Officer is responsible for procuring the best goods and services in a timely manner at the lowest possible cost to the City and to ensure that purchasing is conducted with strict adherence to applicable federal, state and local laws as well as this policy.

III. SPENDING AUTHORIZATION**A. Authorization to Expend Funds**

The City Manager approves the Authorization for Expenditures (AFE) and may authorize certain employees to make and/or approve expenditures/purchases. The City Manager may specify the following authorizations to expend funds:

1. The City Manager may limit authorization by line item and/or specified project.
2. The City Manager may designate specific authorizers and dollar limits for individual budget line items and/or projects based on a financial schedule that maintains appropriate levels of cash flow during the annual budget cycle or capital program.

B. Purchase Orders (PO)

A PO is a formal, binding, legal agreement issued according to the AFE. When accepted by a vendor without qualifications within a specified time period, the PO becomes a contract. A PO grants the vendor the authority to deliver

the goods or services to the City and to invoice City for the same. The City is committed to accept the goods or services and to pay for them at the agreed upon price provided that those goods or services are of the quality and scope promised. The City employee that buys goods and services for the City ("Purchaser") must document the prior authorization of the City expenditure through the use of a PO. All expenditures must be authorized by a PO unless expressly exempted by type.

A Blanket Purchase Order (BPO) is a Purchase Order that is valid for a specified period of time and authorizes multiple orders during that time period, as long as the total dollars on the BPO are not exceeded and whose prices have been established by a quote or as a result of a Request for Bids. BPOs limit the types of goods or services that can be ordered, and may also limit the order amounts. Most BPOs are issued by one department for its own use, but some BPOs cover all or multiple City facilities/departments. BPOs will be established for buying material and services on a continuous basis from specified vendors. No single purchase on a BPO shall exceed spending limit authority established herein.

C. Expenditure Types Exempt from the PO Requirements:

The following types of expenditures do not require purchase order authorization:

1. Debt services payments;
2. Purchasing card transactions (see Purchasing Card Policy);
3. Petty cash transactions;
4. Utilities;
5. Interlibrary loans;
6. Lease or rental payments;
7. Payroll liabilities;
8. Travel expenses and local expense reimbursement;
9. Postage and delivery expenses;
10. Telephone bills;
11. Insurance premiums;
12. Membership dues;
13. Periodical subscriptions;
14. Legal fees;
15. Training;
16. Package delivery services;
17. TCEQ permits;
18. Legal Notices; and
19. Pre-employment background checks.

Purchase Orders may, however, be used for any of the above expenditures if it provides for administrative efficiency.

Tex.Loc.Gov't Code § 252.022.

D. COMPETITIVE BIDDING IN RELATION TO HISTORICALLY UNDERUTILIZED BUSINESSES

The City shall, in making an expenditure more than \$3,000 but less than \$50,000, contact at least two historically underutilized businesses ("HUB") on a rotating basis, based on information provided by the Texas Comptroller pursuant to Texas Government Code Chapter 2161. If the list fails to

PURCHASING POLICY

identify a HUB for Liberty County, then the City is exempt from the section.

Tex. Loc. Gov't Code § 252.0215.

IV. COMPETITIVE REQUIREMENTS BASED ON DOLLAR AMOUNT

A. Purchases less than \$5,000 (per transaction or annually)

No documented quotes are required; however, competitive pricing through purchasing cooperatives or other discount retailers or distributors should be checked first and documented before purchasing when time and practicality permit.

B. Purchases of \$5,000 but less than \$10,000 (per transaction or annually)

Not less than two (2) written, email, or faxed quotes must be received prior to submitting a purchase order request on the goods, materials, services or equipment that cannot be purchased through an interlocal purchasing cooperative. Pricing and contact information from all solicited vendors must be documented. The Purchaser shall include the following information when using a "No Response" as one of the three bids: company name, contact person and telephone number of the non-responding company.

C. Purchases of \$10,000 but less than \$25,000 (per transaction or annually)

Not less than three (3) written, email, or faxed quotes must be received prior to submitting a purchase order request on the goods, materials, services or equipment that cannot be purchased through a interlocal purchasing cooperative. The Purchaser shall document the pricing and contact information from all solicited vendors. The Purchaser shall include the following information when using a "No Response" as one of the three bids: company name, contact person and telephone number of the non-responding company.

D. Purchases of \$25,000 but less than \$50,000 (per transaction or annually)

Purchase requires prior approval of the City Manager. Then, not less than three (3) written, email, or faxed quotes must be received prior to submitting a purchase order request on the materials, services or equipment that cannot be purchased through a purchasing cooperative. Pricing and contact information from all solicited vendors must be documented. The Purchaser shall include the following information when using a "No Response" as one of the three bids: company name, contact person and telephone number of the non-responding company. Without approval of City Manager, a formal bid process must be followed (written bid request and specifications, and sealed bids/responses).

E. Purchases of \$50,000 or greater (per transaction or annually)

Except where expressly exempted by law, purchases require a Request for Bids, Request for Proposals, Request for Qualifications or another formal authorized procurement method after advertisement in the newspaper. The type of request required depends on the type of good or service to be purchased and is explained further in the following section. No City employee may make any "separate,

sequential, or component" purchases for any goods or services in order to avoid competitive bidding procedures.

Purchases greater than \$50,000 must be submitted to City Council for approval. This includes any purchases or contracts exempt from the bidding or notice procedures, except as described below. The Purchaser will make an award recommendation and will be responsible for all disclosure and briefing information to the City Manager and City Council. It is the responsibility of the Purchaser to present the request to Council after the approval of supporting documentation by the City Manager. The Council approval date must be noted on the PO.

Tex. Loc. Gov't Code §§ 252.021 et seq and 271.006 et seq,

V. TYPES OF COMPETITIVE PURCHASING METHODS

A. Request for Bids (RFB)

RFB is a formal written document that requests from bidders a firm price or proposal for a specific job or goods, equipment, materials or machinery. By statute, an RFB, a Request for Competitive Sealed Proposal (RFCSP) or another competitive delivery system is always required when the anticipated level of expenditure for a construction project or goods, equipment, materials or machinery will be greater than \$50,000. It also may be used any time the City Manager feels it is justified. The requirements for an RFB for a construction/public works contract for projects include:

1. Plans and specifications for the work, approved by a licensed architect or engineer if appropriate;
2. bid bond or other bid security;
3. Retainage or other withholding (e.g., turn-key) provisions;
4. A payment bond for contracts over \$50,000 (Tex. Gov't Code Ch. 2253); and
5. a performance bond for contracts over \$100,000 (Tex. Gov't Code Ch. 2253).

B. Request for Proposals (RFP)

RFP is formal written document requesting that potential vendors make an offer for goods or services to the City. The RFP method of procurement may be used for goods or services, including high technology, insurance, and professional services. When the RFP method is used for the selection of professional services, the City shall comply with Government Code Chapter 2254, the Professional Services Procurement Act. When the RFP method is used for the selection of any services or goods other than professional services, the notice for proposals shall include the criteria that will be used to evaluate the offers and the applicable weighed value for each criterion. The City shall not award a contract for professional services based on competitive bids, but shall make the selection and award on the basis of demonstrated competence and qualifications [Sec. 2254.002(A)].

C. Request for Qualifications (RFQ)

A RFQ is a formal written document used when soliciting providers of professional services, including architectural, engineering, land surveying services, and other services, consulting services, or other personal services for which an RFQ is permitted. For professional services and other services subject to the RFQ process, the City will first select

PURCHASING POLICY

the most highly-qualified provider of those services on the basis of demonstrated competence and qualifications. After a firm has been selected based on qualifications and experience, then the City shall negotiate a fair and reasonable fee for the proposed services. If a satisfactory contract cannot be negotiated with the most highly-qualified provider, then the City shall formally end negotiations with that firm and select the next most highly-qualified firm and begin negotiations with that provider for a fair and reasonable price.

VI. EXEMPTIONS FROM COMPETITIVE PURCHASING

The following items are exempt from competitive bidding. The City Manager is authorized to exercise the options below; however, any use of funds over \$50,000, with the exception of consulting services, must be approved by the Council.

1. Equipment, materials, or machinery purchased by the City at an auction that is open to the public;
2. Contracts for services or property for which there is only one source or for which it is otherwise impracticable to obtain competition;
3. High technology procurements as provided by Sections 252.021 (a) and 252.042, Local Government Code;
4. Land or right of way;
5. State of Texas Catalog Purchases;
6. Contracts for services or property for which there is only one source or for which it is otherwise impracticable to obtain competition, including
 - 1) Items available from a single source because of patents, or copyrights; and
 - 2) Unique replacement parts or components for fleet, equipment; pumps, motors, valves, high technology, etc. Any items not listed above that are considered sole source will need to be supported by the following:
 - 3) Statement on how the determination was made that the item(s) requested is/are only available from one source.
 - 4) Names of those contacted in an effort to find other sources.
 - 5) Approval of the City Manager before purchase is made.
 - 6) Emergency Purchases - An Emergency is a situation which endangers lives, property, or the continuation of a vital process and which can be rectified only by immediate purchase (or rental) of equipment, supplies, materials, or contractual services. All emergency purchases must be approved by the City Manager.

These purchases are exempt from competitive bidding only after formal declaration by the City Manager that an emergency exists. Council approval must be obtained as soon as practical thereafter.

Tex.Loc.Gov't Code § 252/-22/

VII. OTHER APPROVED PROCUREMENT METHODS

The following delivery or procurement methods may be used, where appropriate:

1. Interlocal Cooperative Purchasing Contracts or any other governmental agency, as provided by the Texas Government Code, Chapter 791, Texas Interlocal Cooperation Act. A local government cooperative purchasing agreement must be approved by the Council before purchases can be made.
2. Construction service contracts using a construction manager agent, construction manager at risk, design build, or job order contracts as provided by Texas Government Code Chapter 2269.
3. E-Bid Procurement Under State Executive Orders to Mitigate Spread of COVID-19 - Sealed Bids.
 - a. The non-Federal entity must maintain records sufficient to detail the history of procurement.
 - b. Procurement by sealed bids (formal advertising). Bids are publicly solicited and a firm fixed price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions of this section apply.
 - i. In order for sealed bidding to be feasible, the following conditions should be present:
 1. A complete, adequate, and realistic specification or purchase description is available;
 2. Two or more responsible bidders are willing and able to compete effectively for the business; and
 3. The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.
 - ii. If sealed bids are used, the following requirements apply:
 1. Bids must be solicited from an adequate number of known suppliers, providing them sufficient response time prior to the date set for opening the bids, the invitation for bids must be publicly advertised;
 2. The invitation for bids, which will include any specifications and pertinent attachments, must define the items or services in order for the bidder to properly respond;
 3. All bids will be opened at the time and place prescribed in the invitation for bids, and for local and tribal governments, the bids must be opened publicly;
 4. A firm fixed price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs must be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and
 5. Any or all bids may be rejected if there is a sound documented reason.

VIII. VENDOR REQUIREMENTS**A. All Contracts**

All vendors are required to have W-9 and Conflict of Interest Questionnaire Form (CIQ) on file (if a conflict of interest exists). Any employee requesting a purchase needs to make sure the vendor has a W-9 and CIQ on file with the Finance Department. If the vendor does not have a W-9 or CIQ on file, it is the requestor's responsibility to obtain one from the vendor. If the vendor will be on City property a certificate of insurance may also be required. (See Insurance Requirements for Contractors and Consultants below) Vendors are required to submit all invoices for payment to the Finance Department at:

City of Cleveland
ATTN: Accounts Payable
907 E Houston
Cleveland, TX 77327

B. City Council Approved Contracts

If a contract is approved by City Council, then prior to any payments under the contract the vendor must file a Texas Form 1295.

Tex.Gov't Code § 2252.908.

C. Insurance Requirements for Contractors and Consultants

The City may impose any reasonable insurance requirement on any contractor, vendor or consultant, depending on the nature of the contract and the work to be performed.

The Insurance carrier shall be licensed to do business in the State of Texas in which the work is to be performed. Each certificate shall bear an endorsement precluding the cancellation or reduction in coverage of any policy covered by such certificate before the expiration of fifteen (15) days after the City receives notification of such cancellation or reduction by registered mail.

Nothing contained herein shall be construed as limiting in any way the extent to which a vendor or his sub-contractor may be held responsible for payment of damages resulting from the vendor's or the vendor's sub-contractor's operations. All property and liability insurance, including Comprehensive General, Public, and Automotive, shall be written by an insurer licensed to conduct business in the State of Texas. The City, its officers, agents and employees shall be named as an additional Insured.

D. Indemnification

A vendor shall indemnify and defend the City, its officers, representatives, and employees, against and hold them harmless from any and all liability for damage to the extent that it is caused by or results from an act of negligence, intentional tort, intellectual property infringement, or failure to pay a subcontractor or supplier committed by the vendor or the vendor's agent, consultant under contract, or another entity over which the vendor exercises control, except to the

extent that such claims arise due to the sole gross negligence or willful misconduct by the City, its employees, officers or agents. Further, a vendor shall comply with the requirements of all applicable laws, rules, and regulations in connection with the services of vendor and shall exonerate, indemnify, defend, and hold harmless the City, its officers, agents and all employees from any and all liability,

E. Taxes

A vendor shall assume full responsibility for payments of federal, state and local taxes or contributions imposed or required under the social security, worker's compensation, and income tax laws with respect to the vendor's employees.

IX. CHANGE ORDERS

If changes in plans or specifications are necessary after the performance of a contract is begun, or if it is necessary to decrease or increase the quantity of the work to be performed or of the materials, equipment, or supplies to be furnished, the City has authorized the City Manager to approve a change order that involves an increase or decrease of \$50,000 or less; provided, further, the aggregate of the change orders may not increase the original contract price by more than 10 percent. Additional change orders may be issued only as a result of unanticipated conditions encountered during construction, repair, or renovation or changes in regulatory criteria or to facilitate project coordination with other political entities.

Tex.Loc.Gov't Code §§ 252.048.

PERSONAL INTEREST IN CITY CONTRACT

- A. No officer or employee of the City shall have a financial interest, direct or indirect, in any contact with the City, or shall be financially interested, directly or indirectly, in the sale to the City of any land, materials, supplies or service, except on behalf of the City as an officer or employee.
- B. No officer or employee of the City shall accept, directly or indirectly, from any person to which any purchase order or contract is or might be awarded, any rebate, gift, money or anything of value whatsoever, except when given to the City for the use and benefit of the City. Any such rebate, gift, money or thing of value shall be reported in writing to the City Manager within five working days of its receipt.

Cleveland City Charter § 8.01.

XI. RECYCLED PRODUCTS

The City shall encourage the use of products made of recycled materials as required by Section 361.426 of the Texas Health and Safety Code.

Tex.Loc.Gov't Code § 252.003.

XII. SALE OR DISPOSITION OF CITY PERSONAL PROPERTY**PURCHASING POLICY**

All sales of surplus personal property of the City which has become obsolete or unusable shall, be disposed of by 1) competitive bids to the highest bidder after notice, or 2) public auction; provided, however, the City Council may approve of the sale or disposition of such property under such terms and conditions and the City Council determines appropriate.

XIII. ELECTRONIC BIDS.

If a bid or proposal is required to be sealed for a particular request for goods or services, then the City will not accept any electronic bids or proposals for that request. Unless authorized under exemptions from competitive purchasing provided in this policy.

Tex. Loc. Gov't Code § 252.0415.

XIV. LOCAL PREFERENCE PROGRAM

The City Council is authorized to give local preference pursuant to Local Government Code §§ 271.905 - 271.9051 and may consider doing so on a case-by-case basis. In relevant situations, staff will use the following criteria in determining whether to recommend a higher bid from a local vendor:

- 1) the employment of residents of the City created through the award

- 2) of the bid to the local vendor; and any increase in tax revenue created through the award of the bid to the local vendor.

XV. PROMPT PAYMENT ACT

The City shall pay all payments owed for goods and services that it purchases in accordance with Texas Government Code Chapter 2251, the Texas Prompt Payment Act.

XVI. CONTRACT WITH PERSON INDEBTED TO CITY

The City Council may, upon prior written notice to an apparent low bidder or qualified proposer, refuse to award a contract or enter into a transaction with a bidder or proposer that is indebted to the City.

Tex. Loc. Gov't Code § 252.0436.

XVII. PURCHASING POLICY ADOPTION

The Purchasing Policy shall be reviewed by the City Council annually.

Adopted: January 16, 2018

Revised: May 19, 2020

GENERAL FUND

The General Fund, also known as Fund 100, provides the financing for all of the City of Cleveland's basic services except water and sewer, which is account for through a separate fund. The principal sources of revenue include property taxes, sales, franchise & other taxes, licenses & permits, use fees from service charges, and court revenue from fines & forfeitures. Expenditures are comprised of several divisions, which include City Council, Administration, Civic/Community, Municipal Court, Technology, Police, Animal Control, Development Services, Streets, Airport, Garage, Library, Cemetery/Parks, Sports Facility, Fire Department, and Emergency Management. Fire, Police, and Emergency Management provide all public safety services to the citizens of Cleveland and accounts for the majority of total expenditures.

*See detailed income statement on following pages

Fiscal Year 2021-2022:

For fiscal year, 2022 revenues are projecting to be \$10,679,808, \$283,072 greater than the amended budget mainly due to a \$90,112 growth in the licenses and building permit division. A total of \$113,583 collected for the PILOT program. Property taxes and sales taxes expected to meet budget expectations; however, these trends vary widely from year to year. Staff is continuing to monitor and will make necessary changes accordingly before adoption of budget. Total service and use fees revenues expected to come in lower by \$33,615. Court revenues are projected \$257,300, lower than the amended budget by 20%. Other revenue is \$444,711 or 3% more than amended budget. Total interest revenue decreased by 9% due to the use of cash. Fire and emergency services revenues expected to be \$2,000 more than budgeted due to an increase in billing and collection services. Non-operating revenues include \$35,000 in scheduled transfers that remain unchanged, financing a new ladder truck for the fire department for \$1,276,045, and several grant reimbursements for \$785,620.

Projected fiscal year 2022 expenditures total \$11,760,160 a savings of nearly \$244,712 of the amended

budget. The amended budget includes carryovers and amendments to the original budget. Amendments or other adjustments include the following:

- A budget carryover of \$413,086 to assist in the engineering and design phase of a new fire station that will be located in front of the Grand Oaks subdivision and to purchase a new tanker truck.
- Carryover of \$100,000 to increase capital outlay in the police department to support the costs of new police evidence facility.
- A carryover of the remaining \$8,735 from FY 21 to increase the FY22 to \$168,735 to complete the splash pad project.
- Carryover of \$76,024 to increase capital outlay to \$132,024 to complete several airport projects. TX DOT partial parallel taxiway reconstruction and electrical improvement project, which the City's portion is 1% match. The replacement of the runway lighting to maintain an acceptable level of risk and safety. The lighted marquee sign for the entrance of the airport.
- Amendment of \$42,000 to reimburse tenant Jack Stephen's for the cost of relocating the T-Hangars.
- Amendment of \$1,276,045 allocated to purchase a new ladder truck for the fire department.
- Amendment to increase budget allocation of \$5,700 to purchase executive chairs for council.
- An amendment to increase budget allocation of \$52,000 in sports parks. This is the Harvey mitigation program for the sports park lighting repair ballfield lighting control panels, concession stand and restroom electrical. The City's match portion is 10% of total cost project.

The city will end with revenues under expenditures by \$1,080,352, greater than amended by \$244,712, since the fund intended a use \$1,325,064 of fund balance. However, final numbers will be more favorable substantially due to overlapping capital projects and remaining contingency by year-end. Fund balance at 9/30/2022 anticipated to be \$5,888,508. The general fund projected to end with \$2,958,058 in excess cash over the \$2,930,450 held as the reserve requirement.

Fiscal Year 2022-2023:

Fiscal year 2023 revenues total \$9,775,980, which is \$620,759 lower than the amended and \$903,828 lower than the 2022 projected due to the new ladder truck pending to be purchase. Property tax is higher than amended by \$157,036 or 6.8%, with no changes to the total tax rate of 0.7550 per \$100 valuation. Total sales taxes collected after transfers to EDC are \$4,009,822 increasing from 2022 projected by \$57,969. Licenses & Permits propose a total of \$531,650 due to the new development occurring throughout the City. Uses of fees propose a total of \$155,700, 17.4% increase from projected budget due to Civic Center operations. Court revenue at \$302,050, a 17.4% increased from FY 2022 projected budget due to more activity occurring since COVID-19.

Non-operating revenues of \$757,400 take account of limited transfers from Water/Sewer so the proprietary fund can support W/S related capital programs and SAFER Grant funds to reserve the nine full-time firefighters. This year includes a \$35,000 transfer in for information technology services.

Total expenditures are \$9,775,980 a \$1,948,179 decrease from the 2022 projected budget. Non-operating expenditures total \$0; the proposed budget balanced with \$3,444,513 in excess cash over the reserve requirement. Any use of reserves as part of the final adopted should consider all risks associated with anticipating a strong FY 23 outlook.

The \$380,000 in non-recurring, the extraordinary or one-time expenses the city does not expect to continue over time are proposed. The police department is to replace the high mileage vehicles with two SUV units for transportation during patrols and to enable police to respond to incidents. Typical uses of a police care include transporting officers so they can reach the scene of an incident quickly, transporting and temporarily

detaining suspects in the back seats, as a location to use their police radio or laptop or to patrol an area, all while providing a visible deterrent of crime. A distribution of \$105,000 estimated to replace two police units. An allocation of \$275,000 for additional funds needed to complete the construction and furnish the new fire station in front of the Grand Oaks subdivision.

The proposed recurring items are expansions of the normal, ongoing expenses required for operating the city and delivering additional services over the long-term include a cost of living (5%) increase to all employees across the board. As the cost of goods and services rises, the buying power of the dollar falls. The inflation rate measured by the change in the Consumer Price Index (CPI). As of June 2022, the inflation rate was at 9.1%, which has not been that high since 1981. The city offers health insurance along with other benefits to full-time employees to improve employee retention. Every year the city meets with the broker to discuss the different options for health benefits. This year due to inflation the medical insurance increased by 9%, which the city decided to absorb the full cost in order to give employees a relief from the current economic crisis.

MULTI-YEAR PLAN

A five-year plan is programmed for forecasting purposes only. It is projected that Fund 100 will maintain a balanced budget for fiscal years ending 2024 through 2027. Projecting property taxes, sales tax, license and permits to increase by 5% each year. Fiscal year 2024 indicates a reduction due to the SAFER Grant program funds exhausting at the end of fiscal year 2023. The current plan consists of maintaining our current levels of services funded by the General Fund. The Council adopts the budget annually; therefore, the projection detailed below does not restrain future councils to this plan:

	FY 2023 PROPOSED	FY 2024 PROJECTED	FY 2025 PROJECTED	FY 2026 PROJECTED	FY 2027 PROJECTED
Operating Revenues:	9,018,580	\$9,442,502	\$9,886,900	\$10,352,778	\$10,841,188

DEBT SERVICE FUND

The Debt Service Fund, also known as the interest and sinking fund, is established by ordinance and accounts for the issuance of debt and provides for the payment of debt, including principal, and interest as payments become due. In the Debt Service Fund, an ad valorem (property) tax rate and tax levy are required to be computed and levied, which will be sufficient to produce the money to satisfy annual debt service requirements. The City of Cleveland has no general obligation legal debt limit other than a ceiling on the tax rate specified by the State of Texas. Under the rules of the Texas Attorney General, the City may issue general obligation debt in an amount no greater than which can be serviced by a debt service tax rate of \$1.50 per \$100 assessed valuation, based on a 90% collection rate.

Excess/(Deficit)		317,249	317,464	264,580

Fiscal Year 2021-2022:

Based on the approved values, the budget carries a debt service (I&S) tax rate of 25.21 cents (\$0.2521) per \$100 assessed valuation. This is 0.51 cents (\$0.0051) decrease from fiscal year 2021 adopted rate (tax year 2020) of \$0.2572 per \$100 assessed valuation, due to the calculated levy required to secure the annual obligation backed by taxes. The reduction in debt service tax rate allows the budget to hold the maintenance and operating (M&O) tax rate while lowering the overall combined rate. The budget adopts a maintenance and operations (M&O) tax rate of \$0.5029 per \$100 assessed valuation, a \$0.00010 increased from fiscal year 2021 adopted rate (tax year 2020) of \$0.5028. The city will continue to look for ways to reducing taxes

annually without reducing services. Staff and council are committed to reducing taxpayer burden as new development will assist in improving this opportunities. The following is the detail on the adopted tax rate:

Fiscal Year 2022 Proposed Tax Rate / Tax Year 2021

Debt Service (I&S) Rate	\$0.252100
Maintenance & Operating (M&O) Rate	\$0.502900
Total Proposed Tax Rate	\$0.755000

Fiscal Year 2022-2023:

For fiscal year 2023, the proposed debt service (I&S) is estimate to collect \$1,367,829 at a 96% for the year. The interest and sinking at \$63,343 in current property tax with total debt service property tax, current and other at \$1,431,172. Debt service revenues includes limited in interest income at \$1,500 and no proposed transfers or contributions for total revenues at \$1,432,672. For fiscal years 2023 through 2027, forecast that the funds are sustainable under following status:

- The proposed exceeds reserve policy guidelines.
- The multi-year projection is stating no tax rate increase and plan for those years without the need to increase the interest and sinking tax rate.
- Future bond capacity expands/improves over time.

MULTI-YEAR PLAN

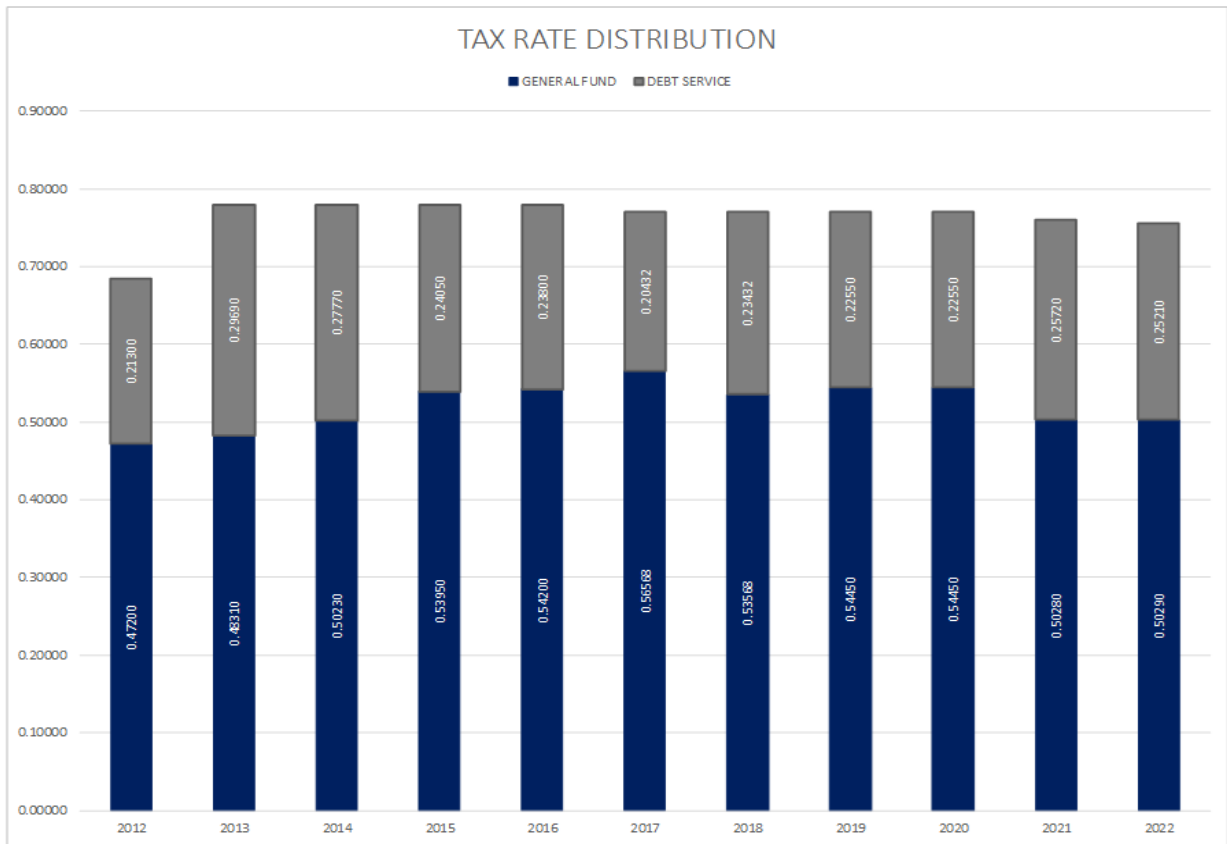

It is projected that Fund 500 will maintain a balanced or positive reserve budget for fiscal years ending 2023 through 2027 with additional debt capacity. The plan consists of maintaining annual debt payment on outstanding obligations as well as the use of improved capacity detailed below. The following five-year plan and chart is provided for planning purposes only, as the budget is adopted by the Council annually, therefore the projection detailed below does not restrain future councils to this plan:

	FY 2023 PROPOSED	FY 2024 PROJECTED	FY 2025 PROJECTED	FY 2026 PROJECTED	FY 2027 PROJECTED

TAX INCREMENT RE-INVESTMENT ZONE NO. 1

A tax increment reinvestment zone (TIRZ) is a political subdivision of a municipality or county in the state of Texas created to implement tax increment financing. They may be initiated by the city or county or by petition of owners whose total holdings in the zone consist of a majority of the appraised property value. The County and City Council approved an ordinance creating Tax Increment Reinvestment Zone (TIRZ) No. 1 under Chapter 311 of the Texas Tax Code, as a designated a geographic area known as Reinvestment Zone Number One, by Ordinance No. 1135 on June 20, 2017.

The aggregate of all reimbursements paid to McKinley shall not exceed the lower of the Project Costs Limitation set at \$54,300,213 including an inflation factor of 3% commencing in year five and a total contingency over the term of this Agreement of 5%, or the total Project Costs actually incurred by McKinley during the term of this Agreement in development of the Project. Project Costs exceeding the Project Costs Limitation as adjusted for inflation may be reimbursed only when the City Council and the Zone Board approve a specific dollar amount over the limitation.

Public Improvements in each project phase shall not exceed the following:

- Phase 1 total at \$29.6 Million and complete the construction by December 31, 2023;
- Phase 2 total at \$7.7 Million;
- Phase 3 total at \$11.5 Million.
- The Developer is solely responsible for all costs associated with the development of the project after December 31, 2042.

Tax Increment Reinvestment Zone (TIRZ) No. 1 known as Grand Oaks Reserve. Grand Oaks Reserve is Cleveland's premiere 600-acre master-planned community that is planned to feature: 972 single family homes; Golf course and club house; fitness center and pool house; Community center with grand ballroom, conference room, open concept bistro-style restaurant; plus, shopping, dining and lifestyle services.

WATER & SEWER FUND

The Water & Sewer Fund, also known as Fund 300, is an enterprise fund that includes the water and sewer system operations. The fund is operating in a manner similar to private business enterprises, where costs of providing the services to the public financed primarily through user charges. The City provides water and sewer service to residential and commercial customers. As such, the City continually monitors and evaluates the need to adjust water and sewer rates to ensure that the fund is self-supporting, that infrastructure rehabilitation is adequate, and that the fund maintains a planned reserve. The adopted water and sewer rates have not changes from the previous year.

Excess/(Deficit)		1,142,111	1,397,066	1,359,654

Fiscal Year 2021-2022:

Water & Sewer revenue projected \$3,917,391, \$212,503 lower than last year's total revenue \$4,129,894 due to a projected non-operating income. Operating income at \$3,913,242, being \$311,403 higher than last year operating total of \$3,601,840 due to the new development. Total projected revenues are 8.5% higher than amended due to the increases in sanitation division due to more garbage cart requests and new home

development. Changes from the amended to the projected budget highlighted below:

- Water and sewer charges projected to be higher amended budget due to increasing water and sewer rates and new development. Staff will continue to monitor and adjust accordingly before adoption.
- Union Tank Car (UTLX) wastewater flow volume is less than previous year to date and projected at \$20,000 less than the amended budget due to activity.
- Other revenue is \$3,561 or 2.5% higher than the amended budget.

Fiscal year 2022 expenses totaling \$3,756,502 projected to be \$40,392 or 1.1% higher than amended budget due to sanitation division.

- The Water Production Division at \$1,066,916 or 1.6% under amended budget, which is right on target with expectations.
- The Sewer Division projected at \$829,870 slightly lower but expecting to come in on target.
- The Sanitation Division at \$311,216 or 24.2% more than amended budget due to new development and residents requesting extra garbage carts.

Revenues are over expenses by \$160,889 by year-end. Staff will continue to monitor the expense related to the water sewer operations and will make necessary adjustments prior to final adoption.

Fiscal Year 2022-2023:

The FY 2023 Annual Budget anticipates Water & Sewer revenue at \$3,906,153, 11,238 lower than projected budget due to insurance proceeds funds collected. The city remains poised for anticipated residential growth.

Total expenses are \$3,906,153, with operational expenses at \$3,060,164. Non-operating expenses include Financial Obligations of \$604,989 and Capital Contributions of \$241,000. Also proposed an allocation to give employees a 5% cost of living increase and absorb 9% increase for medical insurance due to inflation. A distribution of \$14,000 for annual preventative maintenance for the water and wastewater treatment plant generators. An additional \$10,000 for chemicals due to vendor price increase. Non-recurring include Texas Commission on Environmental Quality (TCEQ) required wastewater treatment plant five year renewal discharge permit for \$35,000.

	<u>Recurring</u>	<u>Non-recurring</u>	<u>Total</u>
Salary (COLA 5%)	\$47,143		\$47,143
Health Insurance (~ 9%)	\$31,241		\$31,241
Annual Generator Maintanance - Water	\$6,000		\$6,000
Annual Generator Maintanance - Sewer	\$8,000		\$8,000
Additional Lab / Chemical Fees	\$10,000		\$10,000
TCEQ Permit Renewal		\$35,000	\$35,000
Additional CIP Funding		\$241,000	\$241,000
Total Water/Sewer Fund <u>Proposed</u> Supplemental	\$102,384	\$276,000	\$378,384

Available cash ending balance at 9/30/2023 expected to be greater than \$2.3 million with cash reserves at \$1,359,654 above policy requirement. The calculation of cash reserves includes all in non-recurring capital. Maintain an excess allows the fund to support unknown emergency needs via Council resolution and amendment to the adopted budget without risking the reserve requirement proposed at \$976,538.

MULTI-YEAR PLAN

A five-year plan is program for forecasting purposes only. It is projected that Fund 300 will maintain a balanced budget for fiscal years ending 2023 through 2027; however it provides only limited resource for new and expanded programs without changes to current rate, number of new customers and/or volume of consumption. The plan consists of maintaining our current levels of services funded by the Water & Sewer Fund. The Council adopts the budget annually; therefore, the projection detailed below does not restrain future councils to this plan:

	FY 2023 PROPOSED	FY 2024 PROJECTED	FY 2025 PROJECTED	FY 2026 PROJECTED	FY 2027 PROJECTED
Charges For Service	3,180,000	3,227,700	3,276,116	3,325,257	3,375,136
Other Service Charges	97,800	99,267	100,756	102,267	103,801
Interest	5,000	5,075	5,151	5,228	5,307
Other Fees	226,449	229,846	233,293	236,793	240,345

CAPITAL EQUIPMENT FUND

The Capital Equipment Fund, also known as Fund 701, was created to set aside resources for capital equipment relating to the water and sewer utility system, also known as the city's Enterprise Fund or Fund 300. The fund was established in fiscal year 2014. The fund is supported by charges for service to the utility customers and is set by the adoption of Council, currently part of the city's fee ordinance. Under the current fee structure, commercial consumers are charged \$7 for water and \$7 for sewer; likewise, residential consumers are charged \$1 for water and \$1 for sewer and are billed in conjunction with the main utility service fees on a monthly basis. The purpose of this fund is to provide the scheduled purchase and replacement of capital equipment and vehicles that support the city's Water and Sewer Enterprise Fund operation. The scheduled purchase and replacement is adopted annually as part of the budget process.

Fiscal Year 2021-2022:

Revenues for the Capital Equipment Fund projected at \$218,870 for September 30, 2022. The city is averaging \$18,000 per month in the base water and sewer rates. The city is projecting limited resources of interest earnings and sale of assets bringing total operating revenues on target with the amended budget of \$218,870.

Projected fiscal year 2022 expenditures total \$237,700. The amended budget includes a carryover to the original budget. A budget carryover of \$32,500 done to increase the Vehicle Purchase line item, however, due to shortage the vehicle is still pending for purchase.

The following items were purchase for fiscal year 2021-2022:

- Purchase of a mini excavator for \$50,152.
- Replacement of two ranger pickup trucks for Public Works for \$53,579, which is a \$12,621 savings of the budgeted \$66,200.

Pending purchases, which will require a budget carryover for next fiscal year, include the following:

- Replacement of a dump truck for \$82,000, which amount has increased due to inflation. We currently have one for water and one for streets. One is over ten years old and is having transmission issues and other mechanical problems. This would allow both departments to continue with jobs, and increase productivity when more material needs to be hauled.
- Replacement of pick-up truck for Public Works budgeted for \$32,500.

Available cash balance on September 30, 2022 projected at \$128,376.

Fiscal Year 2022-2023:

Revenues estimated at \$221,200; of which \$220,000 are charges for service and \$1,200 is interest revenue. Revenues estimated to remain consistent with last year, with only a slight increase related to new customer growth.

Total expenses are \$221,200; the proposed capital outlay includes the following:

- Additional \$30,000 for the replacement of a dump truck needed due to inflation. The dump truck is pending for purchase due to factories only doing limited amount of vehicles. A carryover of \$82,000 will be done in February to complete the purchase.
- Purchase of additional street sweeper attachments at \$5,000. These additional attachments are for the regular maintenance on the sweeper; gutter brooms, air curtains, rubber seals, and skid plates.
- Additional \$36,200 for regular maintenance on equipment.
- Purchase two utility beds for the water / sewer trucks for \$30,000. This is going to help maintain and protect tools, equipment and future growth of personnel.
- Replacement of two pick-up trucks for \$120,000.

Anticipated revenues of \$221,200 balance expenses, maintaining an estimated cash ending balance of \$187,801 with an excess of \$132,501 over the reserve.

MULTI-YEAR PLAN

It is projected that Fund 701 will maintain a balanced budget for fiscal years ending 2023 through 2027. The plan consists of major capital equipment purchases that are detailed on the Equipment Purchase and Replacement Schedule. The following five-year plan and chart is provided for planning purposes only, as the budget is adopted by the Council annually, therefore the projection detailed below does not restrain future councils to this plan:

HOTEL / MOTEL OCCUPANCY TAX FUND

The Hotel/Motel Occupancy Tax Fund is use to account for revenues realized from hotel occupancy taxes. Local hotel occupancy tax revenues may only be spent to establish or enhance a convention center, cover the administrative expenses for registering convention delegates, pay for tourism-related advertising and promotions, fund programs that enhance the arts or pay for historic preservation or restoration projects, and pay for sports related expenses pursuant to state law that will enhance tourism. By law, cities must spend at least 1% of hotel tax receipts on advertising, no more than 15% on art programs and a maximum of 50% on historic preservation. Cleveland is home to several hotels and motels: Super 8, Motel 6, Deluxe Inn, Best Western, Holiday Inn Express, and La Quinta.

Excess/(Deficit)		\$76,620	\$97,543	\$174,023

Fiscal Year 2021-2022:

Projected revenues are \$262,504, 3.64% above the amended budget with hotel occupancy tax collection at \$261,304; which is \$8,866 more than the amended budget. It is expected that total occupancy tax collection would perform at normal expectations based on the collection activity from all 6 establishments over the prior year's. However, the city will no longer be collecting hotel occupancy tax from the Budget Inn hotel. This hotel has been demolished and a new car was is being build. The budget supports personnel cost at \$113,510, professional services (IT services) at \$28,000 and annual advertising at \$30,000. The

budget includes \$355,000 in supplemental items while using \$325,000 in retained cash. The FY22 includes recurring supplemental totaling \$5,096 to support a salary and benefit merit increase. Non-recurring expenditures of \$325,000 includes the use of retained cash to support a new multi-purpose Area at Stancil Park that, in return, will expand services and generate additional revenue through user fees. Non-recurring also includes Chamber advertising at \$10,000 for annual Rock-N-Ride and Expo events.

Fiscal Year 2022-2023:

Projected collections for fiscal year 2023 occupancy tax are \$261,800 with total fund revenue of \$263,000. The proposed budget supports personnel cost at \$113,341, professional services (IT services) at \$28,000 and annual advertising at \$30,000. The proposed includes recurring 5% COLA increase to all employees across the board and absorb the 9% medical insurance increase due to inflation. Non-recurring expenditures include \$5,000 for additional advertising/billboards and \$24,859 for capital programs. This budget includes a total of \$29,859 in supplemental items with a balance budget.

Fund balance for 9/30/23 is projecting to be \$239,774. In order to maintain a healthy reserve, \$65,750 is required to remain as unallocated. The estimated in excess reserve \$174,023 is held for any emergency measures or possible downturn in occupancy collection without exposing any reserve requirement.

MULTI-YEAR PLAN

It is projected that Fund 600 will maintain a balanced budget for fiscal years ending 2023 through 2027. The plan consists of maintaining to improving our current levels of services funded by the hotel occupancy tax collections. The following five-year plan and chart is provided for planning purposes only, as the budget is adopted by the Council annually, therefore the projection detailed below does not restrain future councils to this plan:

	FY 2023 PROJECTED	FY 2024 PROJECTED	FY 2025 PROJECTED	FY 2026 PROJECTED	FY 2027 PROJECTED
Total Revenues	\$263,000	\$268,260	\$273,625	\$279,098	\$284,679.66
Hotel/Motel	55,000	55,000	55,000	55,000	55,000
CVB Base Budget	173,141	176,604	180,136	183,637	187,325
Co-Sponsored Events	10,000	10,000	10,000	10,000	10,000
Future Capital Programs	24,859	26,656	28,489	30,461	32,355
Total Expenditures	\$263,000	\$268,260	\$273,625	\$279,098	\$284,680

As projected, the fund would allow for greater than \$26,000 in new or expanded programs for future budget years (FY24-27). Unless recurring expenditures increase, such as personnel over the calculated 2% annual expectation. The calculation accounts for a \$34,859 (Co-Sponsored Events and CIP) of the non-recurring items proposed in fiscal year 2023.

SPECIAL REVENUE FUND – MONEY SEIZURE

In fiscal year 2023, the fund is estimated to have limited revenue of \$2,050, similar to the prior, interest income and LEOSE training entitlements are the only likely revenue sources. The budget is designated to draw funds down for non-recurring purchases such as police equipment and police vehicles. Available unrestricted cash balance for 9/30/23 projected at \$107,702.

UNITY DONATION FUND

The Unity Committee Donation Fund is a fiduciary fund used to account for assets held in trust by the City of Cleveland for the benefit of community organizations or other local entities. The accounts for all donations related to Unity Committee sponsored events such as July Fireworks and Bunny Blast. Charitable donations from the community represent the primary source of funding.

Expenditures in fiscal year 2022 total \$26,667, increasing from last fiscal year due to upgrading Fourth of July Firework show to commercial grade. The fund did receive limited donations, including for Fourth of July Fireworks that are to support the 2023 event. Expenditures in fiscal year 2023 balance with revenues to a total of \$29,975 and the estimated cash available on 9/30/2023 is \$5,837.

CLEVELAND ECONOMIC DEVELOPMENT CORPORATION

Economic Development Corporations (EDCs) are the legal entities with the statutory authority to spend economic development sales tax dollars. The corporations are city-chartered and governed by a city-appointed board of directors. The economic development sales tax was first created in 1989 to give smaller Texas communities the financial resources to attract primary jobs and create wealth. Today, the tax is the undisputed workhorse of local economic development efforts, serving as the backbone of economic development programs in more than 500 communities across the state. During the 2007 Legislative Session, legislation passed which moved the law governing the use of the economic development sales tax from 5190.6 of Vernon's Civil Statutes into chapters 501-505 of the Local Government Code. Although there continues to be two types of economic development corporations (and two types of economic development sales taxes), they are now generally referred to as "Type A" and "Type B" corporations (instead of "4A" and "4B" corporations or the "4A" or "4B" tax). The Cleveland Economic Development Corporation (EDC) is a Type B corporation and supports industrial development projects such as business infrastructure, manufacturing and research and development. The Cleveland EDC component unit of the City of Cleveland and is accounted for under Fund 200.

The Type B sales tax may be used for any project eligible under Type A rules. The Type A sales tax is primarily intended for manufacturing and industrial development. EDCs may use Type A revenue to fund land, buildings, equipment, facilities expenditures, targeted infrastructure and improvements for projects including manufacturing and industrial facilities, recycling facilities, distribution centers, and small warehouse facilities; research and development facilities, regional or national corporate headquarters facilities, primary job training facilities operated by higher education institutions, job training classes, telephone call centers and career centers not located within a junior college taxing district; certain infrastructure improvements that promote or develop new or expanded business enterprises; aviation facilities; commuter rail, light rail or commuter bus operations; port-related facilities, rail ports, rail switching facilities, marine ports, inland ports; and maintenance and operating costs associated with projects. Type B, such as the Cleveland Corporation may pay for land, buildings, equipment, facilities, targeted infrastructure and improvements for professional and amateur sports and athletic facilities, tourism and entertainment facilities, convention facilities and public parks; related store, restaurant, concession, parking and transportation facilities; related street, water and sewer facilities; and affordable housing. Type B EDCs also may seek voter approval to spend Type B sales tax funds for a water supply, water conservation program or cleanup of contaminated property. The sales tax revenues are administered by the corporations and the corporations determine which projects to fund, with city council retaining approval authority over all expenditures of the corporation. The economic development sales tax is the state's largest and most effective local revenue source for economic development.

FISCAL YEAR 2023 PROPOSED BUDGET

	FY 2021 YEAR END ACTUAL	FY 2022 AMENDED BUDGET	FY 2022 YEAR END PROJECTED	FY 2023 PROPOSED BUDGET
REVENUES:				
Operating Revenues	\$750,119	\$768,425	\$768,425	\$809,764
Non-Operating Revenues	\$0	\$0	\$0	\$0
Total Revenues	\$750,119	\$768,425	\$768,425	\$809,764
EXPENSES:				
Operating Expenses	\$361,579	\$380,960	\$361,324	\$384,012
Financing Programs	\$297,968	\$477,465	\$239,500	\$425,752
Total Expenses	\$659,547	\$858,425	\$600,824	\$809,764
<i>Revenues Over Expenses (Total)</i>	<i>90,572</i>	<i>(90,000)</i>	<i>167,601</i>	<i>(0)</i>
Net Position - Ending	\$2,754,728	\$2,664,728	\$2,922,329	\$2,922,329

Reserve Requirement (25%)		214,606	150,206	202,441
Annual Debt Coverage		187,544	187,544	194,320
Excess/(Deficit)		1,096,917	1,418,918	1,359,907

Fiscal Year 2021-2022 Budget:

Total revenues projected at \$768,425 of which \$751,625 or 98% is from sales tax remittances. Staff is anticipating sales tax to break even by year-end. However, we will continue to monitor and adjust accordingly before adoption. Interest revenue proposed to come in at \$16,800.

Projected expenses are \$600,824 and \$257,601 less than amended due to Capital Outlay savings. Operating expenses expected to come in \$19,636 lower than the amended budget due to savings in Other Professional Services and Administrative Contract line item. Non-operating expenses are showing to be \$237,965 less the amended budget. Capital outlay at \$222,500, which \$132,500 is likely to be reallocated in FY 23 to finish the downtown mural and gateway sign(s) project. Business incentives projected to use \$7,000 to enhance job opportunities in the city.

Ending cash balance projected at \$1,756,668 with cash over operating requirement at 09/30/2022 projected at \$1,418,918.

Fiscal Year 2022-2023 Budget:

Total revenues proposed at \$809,764 of which \$792,964 or 98% is from sales tax remittances. Staff is expecting FY 23 to remain steady with the prior year. Sales tax is being monitored on a month-to-month basis, trends are showing favorable expectations. Total projected expenses are \$809,764 as a balanced

budget. The Adopted may include a use of reserves and likely to be amended to include unspent project allocations rolled over as annual carryover. Fiscal year 2023 proposed with the following highlights:

- A COLA increase of 5% to all employees across the board and absorb 9% increase for medical insurance.
- Capital outlay of \$351,752, which funds will be allocated for multiple projects that the board has discussed at previous meetings, which include, airport improvements, beautification of the city, park rehab, and sidewalk project.
- An increase of \$6,000 for demolition due to inflation cost. EDC board discussed to increase this line item, estimating to do three clearance a year.
- An allocation of \$132,500 will be carryover from fiscal year 2022 to complete the downtown mural and gateway sign(s) project.

Ending cash balance projected at \$1,756,668 with cash over operating requirement and annual debt coverage at 9/30/23 projected at \$1,359,907.

MULTI-YEAR PLAN

It is projected that Fund 200 will maintain a balanced budget for fiscal years ending 2024 through 2027. The plan consists of maintaining to improving our current levels of services funded by the EDC Fund. The following five-year plan and chart is provided for planning purposes only, as the budget is adopted by the Board annually, therefore the projection detailed below does not restrain the future Board to this plan:

	FY 2023 PROPOSED	FY 2024 PROJECTED	FY 2025 PROJECTED	FY 2026 PROJECTED	FY 2027 PROJECTED
Total Revenues	\$809,764	\$834,067	\$859,208	\$885,784	\$913,603
Salaries & Benefits	\$121,092	\$124,725	\$128,467	\$132,321	\$136,291

APPENDIX

CITY OF CLEVELAND, TEXAS

PROPOSED BUDGET

FISCAL YEAR 2022-2023

CITY OF CLEVELAND, TEXAS

PROPOSED BUDGET

FISCAL YEAR 2022-2023

HOME RULE CHARTER

ARTICLE VI: MUNICIPAL FINANCE

SECTION 6.01 FISCAL YEAR:

The fiscal year of the City of Cleveland shall be determined by the City Council. Such fiscal year shall also constitute the budget and accounting year.

SECTION 6.02 PREPARATION AND SUBMISSION OF BUDGET:

The City Manager, between sixty and ninety days prior to the beginning of each fiscal year shall submit to the Council a proposed budget, which budget shall provide a complete financial plan for the fiscal year, and shall contain the following:

- (a) A budget message, explanatory of the budget, which message shall contain an outline of the proposed financial policies of the City for the fiscal year, shall set forth the reasons for salient changes from the previous fiscal year in expenditure and revenue items, and shall explain any major changes in financial policy.
- (b) A consolidated statement of anticipated receipts and proposed expenditures for all funds.
- (c) An analysis of property valuations.
- (d) An analysis of tax rate.
- (e) Tax levies and tax collections by years for at least the five years immediately preceding.
- (f) General fund resources in detail.
- (g) Special fund resources in detail.
- (h) Summary of proposed expenditures by function, department, and activity.
- (i) Detailed estimates of expenditures shown separately for each activity to support the summaries.
- (j) A description of all bond issues outstanding, showing rate of interest, date of issue, maturity date, amount authorized, amount issued and amount outstanding.
- (k) A schedule of requirements for the principal and interest of each issue of bonds.
- (1) The Appropriation ordinance.
- (m) The tax levying ordinance.

- (n) Anticipated revenues and proposed expenditures compared with other years. The City Manager in the preparation of the budget shall show in parallel columns opposite the various properly classified items of revenues and expenditures, the actual amount of such items for the last completed fiscal year, the estimated amount for the current fiscal year and the proposed amount for the ensuing fiscal year.

SECTION 6.03 EMERGENCY APPROPRIATIONS:

The City budget may be amended and appropriations altered in accordance therewith in cases of public necessity, the actual fact of which shall have been declared by the City Council.

SECTION 6.04 TAXES: WHEN DUE AND PAYABLE:

All taxes due the City of Cleveland shall be payable at the office of the City Assessor-Collector and may be paid at any time after the tax rolls for the year have been completed and approved, which shall be not later than October 1. Taxes shall be paid on or before February 1st of the rear following assessment, and all such taxes not paid prior to such date shall be deemed delinquent and shall be subject to such penalty and interest as the City Council may provide by ordinance. The City Council may provide further by ordinance that all taxes, either current or delinquent, due the City of Cleveland may be paid in installments; however, the City Council shall be prohibited from waiving penalties or interest, or allowing discounts. Failure to levy and assess taxes through omission in preparation of the approved tax rolls shall not relieve the person, firm, or corporation so omitted from obligation to pay such current or past due taxes as shown to be payable by recheck of the rolls and receipts for the years in question.

GLOSSARY

ACCOUNT – A term used to identify an individual asset, liability, expenditure control, revenue control, encumbrance control, or fund balance.

ACCOUNTS PAYABLE – A short-term liability account reflecting amounts owed to private persons or organizations for goods and services received by a government.

ACCOUNT RECEIVABLE – An asset account reflecting amounts due from private persons or organizations for goods and services furnished by a government.

ACCOUNTING SYSTEM – The total set of records and procedures, which are used to record, classify, and report information on the financial status and operations of an entity.

ACCRUAL ACCOUNTING – A basis of accounting in which revenues are recognized in the period in which they are earned and become measurable, and expenses are recognized in the period incurred instead of when cash is actually received or spent.

ACCRUED INTEREST – Interest that has been earned and recorded, but has not been received.

AD VALOREM TAX – A tax based on value of land and improvements (property tax).

AGENDA – A formal listing of items to be discussed during a public meeting. Agendas for public meetings are posted 72 hours in advance, in compliance with the open meetings act.

APPROPRIATION – An authorization granted by City Council to make expenditures and to incur obligations for a specific purpose. Usually limited in amount and as to the time when it may be expended.

ASSESSED VALUATION – A valuation set upon real estate or other property by government as a basis for levying taxes.

ASSETS – Property owned by a government, which has economic value, especially which could be converted to cash.

BALANCE SHEET – A statement purporting to present the financial position of an entity by disclosing the value of its assets, liabilities, and equities as of a specified date.

BALANCED BUDGET – Total recurring expenditures for any fiscal year shall not exceed total recurring revenues for that same fiscal year.

BOND – A written promise to pay a specified sum of money, called the face value or principal amount, at a specified date or dates in the future, called the maturity date(s), together with periodic interest at a specified rate.

BOND REFERENDUM – A bond referendum is an opportunity for voters to decide if the city will be authorized to borrow funds to address specific capital project needs for which ad valorem taxes are pledged for repayment.

BUDGET – A plan of financial operation embodying an estimate of proposed expenditures for a given period and the proposed means of financing them. The term is also sometimes used to denote the officially approved expenditure ceiling under which a government and its departments operate.

BUDGET CALENDAR – The schedule of key dates or milestones, which a government follows in the preparation and adoption of the budget.

BUDGET DOCUMENT – The instrument used by the budget making authority to present a comprehensive financial program to the appropriating governing body.

BUDGETARY CONTROL – The control or management of a government or enterprise in accordance with an approved budget to keep expenditures within limitations of available appropriation and available revenues.

CAPITAL ASSETS – Long-term assets, such as buildings, equipment, and infrastructure, intended to be held or used in operations.

CAPITAL PROJECTS – Acquisition or construction of major capital facilities.

CAPITAL IMPROVEMENT PROGRAM – A plan for capital expenditures to be incurred each year over a fixed period of several future years setting forth each capital project, identifying the expected beginning and ending date for each project, the amount to be expended in each year, and the method of financing those expenditures.

CAPITAL OUTLAY – Expenditures for the acquisition of capital assets.

GLOSSARY

CAPITAL PROJECT FUNDS – Capital Project Funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds, special assessment funds and trust funds).

CASH BASIS – A method of accounting in which revenues and expenses are recognized and recorded when received, not necessarily when earned.

CERTIFICATE OF DEPOSIT – A negotiable or non-negotiable receipt for monies deposited in a bank or other financial institution for a specified period for a specified rate of interest.

CERTIFICATE OF OBLIGATION – A debt instrument that is issued by the City and has the same legal status as a general obligation bond. Proceeds from the issuance of the certificates may be used for the construction of public works or payment of contractual obligations for professional services. These certificates do not require voter approval.

CHARTER – Written instrument setting forth principles and laws of government within boundaries of the City.

CHART OF ACCOUNTS – The classification system used by the City to organize the accounting for various funds.

CHECK – A bill of exchange drawn on a bank and payable on demand.

COMPONENT UNIT – A component unit is defined as a legally separate organization for which elected officials of the primary government (the City) are financially accountable.

CONTINGENCY – Funds set aside in a reserve account for major expenditures or for emergencies.

CURRENT ASSETS – Cash and other assets expected to be converted to cash, sold, or consumed either in a year or in the operating cycle.

CURRENT LIABILITIES – Debt or other legal obligations arising out of transactions in the past which must be liquidated, renewed or refunded within one year.

DEBT SERVICE FUND – A fund used to account for the accumulation of resources for, and the payment of, general long-term debt principal interest, and related costs. Also called a Sinking Fund

DEFICIT – The excess of expenditures over revenues during an accounting period; or in the case of Enterprise and Intra-governmental Service Funds, the excess of expense over income during an accounting period.

DEPARTMENT – A distinct, usually specialized division of a large organization.

DELINQUENT TAXES – Taxes remaining unpaid on and after the date to which a penalty for nonpayment is attached.

DEPRECIATION – A non-cash expense that reduces the value of an asset as a result of wear and tear, deterioration, action of the physical elements, inadequacy or obsolescence.

EFFECTIVE TAX RATE – The tax rate required to generate the same amount of revenue as in the preceding year on the same properties.

ENTERPRISE FUND – A fund used to account for the acquisition, operation and maintenance of governmental facilities and services which are entirely or predominantly self-supporting by user charges. The significant characteristic of Enterprise Funds is that the accounting system must make it possible to show whether the activity is operated at a profit or loss, similar to comparable private enterprises. Thus, the reports of enterprise funds self-contained and creditors, legislators or the general public can evaluate the performance of the municipal enterprise on the same basis as they can the performance of investor-owner enterprises in the same industry.

EXPENDITURES – Where accounts are kept on the accrual or modified accrual basis of accounting, the cost of goods received or services rendered whether cash payments have been made or not. Where accounts are kept on a cash basis, expenditures are recognized only when the cash payments for the above purposes are made.

FISCAL YEAR – A twelve-month period of time to which the annual budget applies, and at the end of which, the City determines its financial position and results of operations.

FIXED ASSETS – Long-lived tangible assets obtained or controlled as a result of past transactions, events or circumstances. Fixed assets include buildings, equipment, and improvements other than buildings and land.

FRANCHISE – A special privilege granted by a government, permitting the continued use of public

GLOSSARY

property, such as City streets, and usually involving the elements of monopoly and regulation.

FUND – An independent fiscal and accounting entity with a self-balancing set of accounts recording cash and/or other resources together with all related liabilities, obligations, reserves, and equities, which are segregated for the purpose of carrying on specific activities or attaining certain objective.

FUND BALANCE – The excess of an entity's assets over its liabilities.

GENERAL FIXED ASSETS – Capital assets that are not assets of any particular fund, but of the government unit as a whole. Most often these assets arise from the expenditure of the financial resources of governmental (as opposed to proprietary or fiduciary) funds.

GENERAL FUND – The General Fund is the general operating fund of the City. It is used to account for the resources devoted to finance the services traditionally associated with local government, except those activities that are required to be accounted for in another fund. Transactions are recorded on the modified accrual basis.

GENERAL OBLIGATION BONDS – When a government pledges its full faith and credit to the payment of the bonds it issues, that those bonds are general obligation bonds.

GENERALLY ACCEPTED ACCOUNTING PRINCIPLES (GAAP) – Uniform minimum standards and guidelines for financial accounting and reporting.

GOVERNMENTAL FUNDS – Funds generally used to account for tax-supported activities. The acquisition, use and financial resources and the related current liabilities are accounted for through governmental funds (General, Special Revenue, Capital Projects and Debt Service).

GRANTS – A contribution by one government unit to another. The contribution is usually made to aid in the support of a specific function, purpose, activity or facility.

INCOME – A term used in proprietary fund-type accounting to represent (1) revenues or (2) the excess of revenues over expenses.

INFRASTRUCTURE - Fixed assets that are immovable and have value only to the governmental unit. Common examples of infrastructure include roads, sidewalks, bridges and streetlights.

ISO RATING – The Insurance Service Office (ISO) performs surveys to assist insurance organizations with setting up the insurance ratings for the communities. The ISO will perform a survey to assign a public protection grade to each fire department, which is used in the development of insurance rates for all properties within the protected area. Grading starts at 1, which is the best possible score and ends at 10, which is considered unacceptable.

LEASE/PURCHASE – A financing tool utilized to fund large capital outlays where the city may not have cash immediately available for purchase. This arrangement allows the city to use the item while payments are being made.

LEVY - To impose taxes or special assessments. The total of taxes or special assessments imposed by a governmental unit.

LIABILITIES – Debt or other legal obligations arising out of transactions in the past, which must be liquidated, renewed or refunded at some future date.

LONG-TERM DEBT – Debt with a maturity of more than one year after date of issuance.

MODIFIED ACCRUAL BASIS – The basis of accounting under which expenditures other than accrued interest on general long-term debt are recorded at the time liabilities are incurred and revenues are recorded when received in cash, except for material and/or available revenues, which should be accrued to reflect properly the taxes levied and revenue earned.

NOTE PAYABLE – An unconditional written promise signed by the maker, to pay a certain sum in money on demand or at a fixed or determinable future time, either to the bearer or to the order of a person designated.

OPERATING BUDGET – Plans of current expenditures and the proposed means of financing them.

ORDINANCE – A formal legislative enactment by the governing body of a municipality.

PROJECTION – A forecast of future trends in the operation of financial activities done through the remainder of the fiscal year to gain a better picture of the City's finances. The projections are adopted as the revised budget during the budget adoption process.

GLOSSARY

PROPERTY TAX – An annual or semi-annual tax paid to one or more governmental jurisdictions based on the real and personal property's assessed valuation and the tax rate, done in compliance with the State Property Tax Code.

RATINGS – Designations used by credit rating agencies to give relative indications of credit quality. Municipal bonds rated Baa or BBB and above are considered to be investment-grade.

REFUNDING BONDS – Bonds issued to retire bonds already outstanding.

RESERVE – An account used to indicate that a portion of fund equity is legally restricted for a specific purpose or not available for appropriation and subsequent spending.

RETAINED EARNINGS – The accumulated earnings of an enterprise or internal service fund which have been retained in the fund and which are not reserved for any specific purpose.

REVENUES – The term designates an increase to a fund's assets. An item of income.

REVENUE BONDS – Bond whose principal and interest are payable exclusively from earnings of an enterprise fund.

ROLLBACK RATE – If a unit adopts a tax rate that is higher than the rollback rate, voters in the unit can circulate a petition calling for an election to limit the size of the tax increase.

SALES TAX – A state tax of 6.25% is imposed on all retail sales, leases and rentals of most goods, as well as taxable services. Texas cities and counties have the option of imposing additional local sales taxes for a combined total of state and local taxes of 8.25%.

SHORT-TERM DEBT – Debt with a maturity of one year or less after the date of issuance.

SPECIAL REVENUE FUNDS - Fund is used to account for the proceeds of specific revenue sources (other than expendable trusts or for major capital projects) that are legally restricted to expenditure for specified purposes.

TAX LEVY – The total amount to be raised by general property taxes for intentions specified in the Tax Levy Ordinance.

TAX LEVY ORDINANCE – An ordinance through which taxes are levied.

TAX RATE – The rate at which a municipality may levy a tax. Tax levied for each \$100 of assessed valuation. The amount of tax stated in terms of a unit of the tax base.

TAX ROLL – The official list showing the amount of taxes levied against each taxpayer or property.

TAXES – Compulsory charges levied by a governmental unit for the purpose of financing services performed for the common benefit.
