<b>FIRE</b>	
<b>MOTOR VEHICLE INCIDENTS</b>	
<b>Level 1</b> - Provide hazardous materials assessment and scene stabilization. This will be the most common "billing level". This occurs almost every time the fire department responds to an accident/incident.	\$584.00
<b>Level 2</b> - Includes Level 1 services as well as clean up and material used (sorbents) for hazardous fluid clean up and disposal. We will bill at this level if the fire department has to clean up any gasoline or other automotive fluids that are spilled as a result of the accident/incident	\$667.00
<b>Level 3</b> - (Car Fire) Provide scene safety, fire suppression, breathing air, rescue tools, hand tools, hose, tip use, foam, structure protection, and clean up gasoline or other automotive fluids that are spilled as a result of the accident/incident.	\$813.00
<b>Add-On Services</b>	
<b>Extrication</b> - Includes heavy rescue tools, ropes, airbags, cribbing etc. This charge will be added if the fire department has to free/remove anyone from the vehicle(s) using any equipment. We will not bill at this level if the patient is simply unconscious and fire department is able to open the door to access the patient. This level is to be billed only if equipment is deployed.	\$1,757.00
<b>Creating a Landing Zone</b> - Includes Air Care (multi-engine company response, mutual aid, helicopter). We will bill at this level any time a helicopter landing zone is created and/or is utilized to transport the patient(s).	\$537.00

<p><b>Itemized Response:</b> You have the option to bill each incident as an independent event with custom mitigation rates, for each incident using, itemized rates deemed usual, customary and reasonable (UCR). These incidents will be billed, itemized per apparatus, per personnel, plus products and equipment used.</p>

<p><b>FIRES</b></p>	
<p><b>Assignment - Includes:</b> Scene Safety, Investigation, Fire / Hazard Control This will be the most common “billing level”. This occurs almost every time the fire department responds to an incident. <b>OPTIONAL:</b> A fire department has the option to bill each fire as an independent event with custom mitigation rates. Itemized, per person, at various pay levels and for itemized products use.</p>	<p>\$538.00 per hour, per engine \$673.00 per hour, per truck</p>
<p><b>ILLEGAL FIRES</b></p>	
<p><b>Assignment -</b> When a fire is started by any person or persons that requires a fire department response during a time or season when fires are regulated or controlled by local or state rules, provisions or ordinances because of pollution or fire danger concerns, such person or persons will be liable for the fire department response at a cost not to exceed the actual expenses incurred by the fire department to respond and contain the fire. Similarly, if a fire is started where permits are required for such a fire and the permit was not obtained and the fire department is required to respond to contain the fire the responsible party will be liable for the response at a cost not to exceed the actual expenses incurred by the fire department. The actual expenses will include direct labor, equipment costs and any other costs that can be reasonably allocated to the cost of the response.</p>	<p>\$538.00 per hour, per engine \$673.00 per hour, per truck</p>

WATER INCIDENTS	
<p><b>Level 1 - Basic Response:</b> Claim will include engine response, first responder assignment, perimeter establishment, evacuations, first responder set-up and command, scene safety and investigation (including possible patient contact, hazard control). This will be the most common “billing level”. This occurs almost every time the fire department responds to a water incident.</p>	\$538.00 plus \$66.00 per hour, per rescue person
<p><b>Level 2 - Intermediate Response:</b> Includes Level 1 services as well as clean up and material used (sorbents), minor hazardous clean up and disposal. We will bill at this level if the fire department has to clean up small amounts of gasoline or other fluids that are spilled as a result of the incident.</p>	\$1,077.00 plus \$66.00 per hour, per rescue person
<p><b>Level 3 - Advanced Response:</b> Includes Level 1 and Level 2 services as well as D.A.R.T. activation, donning breathing apparatus and detection equipment. Set up and removal of decon center, detection equipment, recovery and identification of material. Disposal and environment clean up. <p><b>Level 4 - Itemized Response:</b> You have the option to bill each incident as an independent event with custom mitigation rates for each incident using itemized rates deemed usual, customary and reasonable (UCR). These incidents will be billed, itemized, per trained rescue person, plus rescue products used.</p>	
BACK COUNTRY OR SPECIAL REVENUE	
<p><b>Itemized Response:</b> Each incident will be billed with custom mitigation rates deemed usual, customary and reasonable (UCR). These incidents will be billed, itemized per apparatus per hour, per trained rescue person per hour, plus rescue products used.</p>	Minimum billed \$538.00 plus \$66.00 per hour, per rescue person Additional rates of \$538.00 per hour, per response vehicle and \$66.00 per hour per, rescue person
CHIEF RESPONSE	
<p>This includes the set-up of Command, and providing direction of the incident. This could include operations, safety, and administration of the incident.</p>	\$337.00 per hour
MISCELLANEOUS / ADDITIONAL TIME ON-SCENE	
Additional Time On-Scene (for all levels of service)	
Engine	\$538.00 per hour
Truck	\$673.00 per hour
Miscellaneous Equipment	\$404.00
Mitigation Rate Notice	
<p>The mitigation rates above are average “billing levels” for one hour of service, and are typical for the incident responses listed, however, when a claim is submitted, it may be itemized and based on the actual services provided.</p> <p>These average mitigation rates were determined by itemizing costs for a typical run (from the time a fire apparatus leaves the station until it returns to the station) and are based on the actual costs, using amortized schedules for apparatus (including useful life, equipment, repairs, and maintenance) and labor rates (an average department’s “actual personnel expense” and not just a firefighter's basic wage). The actual personnel expense includes costs such as wages, retirement, benefits, workers comp, insurance, etc.</p>
